The Creative Imagination—Our Divine Gift from God

“As we go about our day, ideas come through on how to solve problems, how to make our work easier, or how to make things better for someone else.

“These ideas come from the creative imagination which, to state it as simply as possible, is God in expression, manifesting Its creation in this world through our actions. This is God speaking through us.

“The creative imagination is the element that makes us godlike.”
